October 2005

4th Annual Neighborhood Event

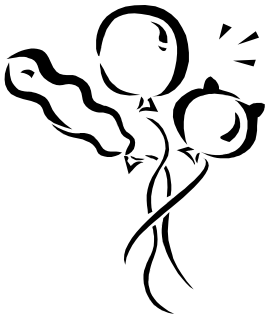

**Catered by Sweet Tomatoes Uptown
and FREE to all North Park Central Neighborhood residents**

Wednesday, October 12, 2005, 6:30 p.m. – 8:30 p.m.
at Clarendon School Gym, 1225 W. Clarendon Ave.
(Map on reverse side)

Mayor Phil Gordon will be our special guest speakers with Councilman Tom Simplot and Community Action Officer Dave Chambers, and for the kids, a special appearance by McGruff, the Block Watch Mascot.

Join your neighbors for an evening of fun, food, gifts, prizes and information. All residents of our neighborhood are invited to come out and enjoy this event that the neighborhood association volunteers have been working hard to bring right to your door step. It will be a great atmosphere to meet new neighbors, have some great food and gather important information to improve your life.

We are also being support by many of the area businesses and sports teams who have donated items for door prizes. You could win a gift certificates to Durant's or Chevront's Restaurants, an autographed ball from the Arizona Diamondbacks, an autographed puck from the Phoenix Coyotes, two tickets to any 2006 Arizona Rattlers game or gift certificates from Bashas just to name a few.

And, best of all, it is entirely free and catered, compliments of our good friend Troy Green at Sweet Tomatoes Uptown on Camelback. So pack up the kids, and give mom a break from making dinner and join us for a great evening. Sweet Tomatoes is bringing a select salad bar, 2 soups, a potato bar, fruit and cookies for dessert. Beverages provided by the Neighborhood Association.

Many thanks to those supporters who come with services, information and gift items. Some of which are Light Rail, St. Joseph's Hospital, Graffiti Busters, Water Conservation, Neighborhood Services, Phoenix College Alumni, ASU, Encanto School, Clarendon School, Housing Rehabilitation, Phoenix Fire Department, Police/Silent Witness, Block Watch, AZ Auto Theft Authority, Institute of Cultural Affairs, Phoenix Parks and Recreation and Identity Theft. They come with a wealth of information and will be available to answer your questions. Also, most information will be available in ESPAÑOL for our Spanish speaking residents.
