## The Heat Is On

By Peter O'Meara

Whew! What a hot beginning of July. I am so thankful for shade trees, wide overhangs, and anything that keeps the sun off my head.

Speaking of shade, we are re-planting 7<sup>th</sup> Avenue this month with the expert help of Joy Neumann and Gardener's Eden Land-

scaping. We want to thank John Gilbert and Richard Adkins of the City of Phoenix for their support in this project.

In years to come we hope that the shade and colorful flowers will keep the sun off our heads and a smile on our faces.

Join us at Phoenix College in Room OSW102 First Thursday of the month 6:30 PM. The building is south of Osborn on the east side of 11th Ave. The room is on the ground floor in the northwest corner.

# “MEET YOUR NEIGHBOR”

## Meet Carmen Gamboa

- **A little bit about you:** I'm a letter carrier for the post office in Tempe, AZ or you could say a walking antagonist to dogs. Previously I worked at St. Joe's Hospital.
- **When did you move to our neighborhood—from where?** I moved to this neighborhood 5 years ago. I'm pleased that this neighborhood group does so much for our community.
- **What brought to this neighborhood?**
- **What is your favorite local place (e.g. restaurant, park, gym, coffee place)?** For local eatery's, I enjoy "Switch" on Central and "Pino's" on Thomas. (check out the specials, they change daily).
- **What makes your ideal weekend?** I enjoy movies - not this over the top cgi special effect driven dvek (though it does have it's place with moderation), but I love finding little gems that are waiting to be rediscovered such as Film Noir, savuvai films from the 60s and 70s movies prior to "Star Wars". Give yourself a gift, watch anything with Robert Mitchum from 1940 to 1975, and see what cool is in these hot summer months.
